                Mobile phones are no more merely a part of our lives.
                 Whether it's to stay connected with friends and family or to keep
abreast of important developments around the world,
                mobiles are no longer for sending a text or making a call.
                 From budget to state-of-the-art smartphones; indigenous names to
global big-wigs - a whole universe of mobiles await you on Flipkart
